RISD Design Guild

Providence, RI

2/16 – present

Part of an application-only student design studio. One of only a handful of students ever to be accepted to the Guild as a first-year.

The New York Times

New York, NY

6/17 – 8/17

A product design intern working on an internal style guide for an upcoming redesign of certain core Times products, along with tasks like recreating the Android menu system.

Teaching Assistant

Providence, RI

9/16 – 12/16

Assisted Michael Lamar's Spatial Dynamics class, a RISD foundation course for first-years. Responsibilities included critiquing work and assisting in the studio.

Rebar Systems

Fort Lee, NJ

6/16 – 7/16

As an intern designed and developed critical path frontend elements of an upcoming piece of financial software, working with TypeScript and Angular 2.

Vermont ACCD

Montpelier, VT

1/15 – 9/15

Principal designer for the Vermont Agency of Commerce and Community Development's new Planning and Zoning Guide, met with acclaim. Worked during a gap year.

Julian Kelly Design

Montpelier, VT

9/14 – present

A one-man team working on a variety of projects for organizations including GE, The Financial Times, The Whitney, and Reddit, either privately or with Toptal.
